**STATEMENT OF OBJECTS AND REASONS**

Bilaspur is the smallest of Part C States. It has an area of 453 square miles, a population of 126,099 and an annual revenue of about Rs. 7 lakhs. It was one of the Punjab Hill States which should normally have been integrated in Himachal Pradesh but in view of the location of the Bhakra Dam in the State it was kept as a separate Part C State. Bilaspur is geographically contiguous to Himachal

Pradesh and the people of Bilaspur and Himachal Pradesh have cultural affinities. It has accordingly been decided that it is no longer necessary to continue Bilaspur as a separate State with all the paraphernalia of a separate administration and that it should be merged in Himachal Pradesh without prejudice to the arrangements that may be devised by the Central Government for the future administration of the Bhakra-Nangal Project. The Bill seeks to carry out the decision and also makes provision for matters consequential to the merger.
